I always knew you would shine like the stars above and you have not disappointed me. I realize you have not reached your full potential yet but if what you are now is any indication of what you will become, I can only imagine the heights you will attain. My Love,

I've seen you during your best times and during your worst times and you're by far the strongest woman that I know. You may not see it now but someday you will understand why I always tell you that you're the greatest. You're smart, funny, kind-hearted, a great friend and the best lover. Although you'll never admit it, you've taught me a lot of things. I am always thankful for each day that I have you by my side. I know you will be great at whatever you do in life and I hope to be there to support you through it all. And remember, keep your head up unless your looking for change on the ground☺ I love you! Love, Chad.

Jenna,

The first of my two beautiful daughters. When I look at the stars and the moon it can't compare to the twinkle that's in your eyes and the smile that is on your face. You'll always be my Jenna Baby. I'm so proud of you. You've worked so hard to achieve your present goals. I also know that you will continue to pursue your dreams and have success in whatever you choose to do. I love you.

Was it only yesterday that you were beginning your school days.
Sending you off on the bus for the first time.
Or was it only yesterday that you were beginning High School.
How you paced back and forth waiting for that bus,
You must have walked two miles that morning,
Fixing you hair and your cloths, you were a wreck.
Beginning your new life as a "Freshman."
But how you have grown since those first days of school.
You have become a beautiful young lady that we as your family
Are so proud of. You have set tough goals for yourself that you have worked so hard for, Sometimes with a little trouble or a road block, but you refocused and with determination tried again until you succeeded.
Now here you are about to begin another new life as a "Freshman".
Remember...

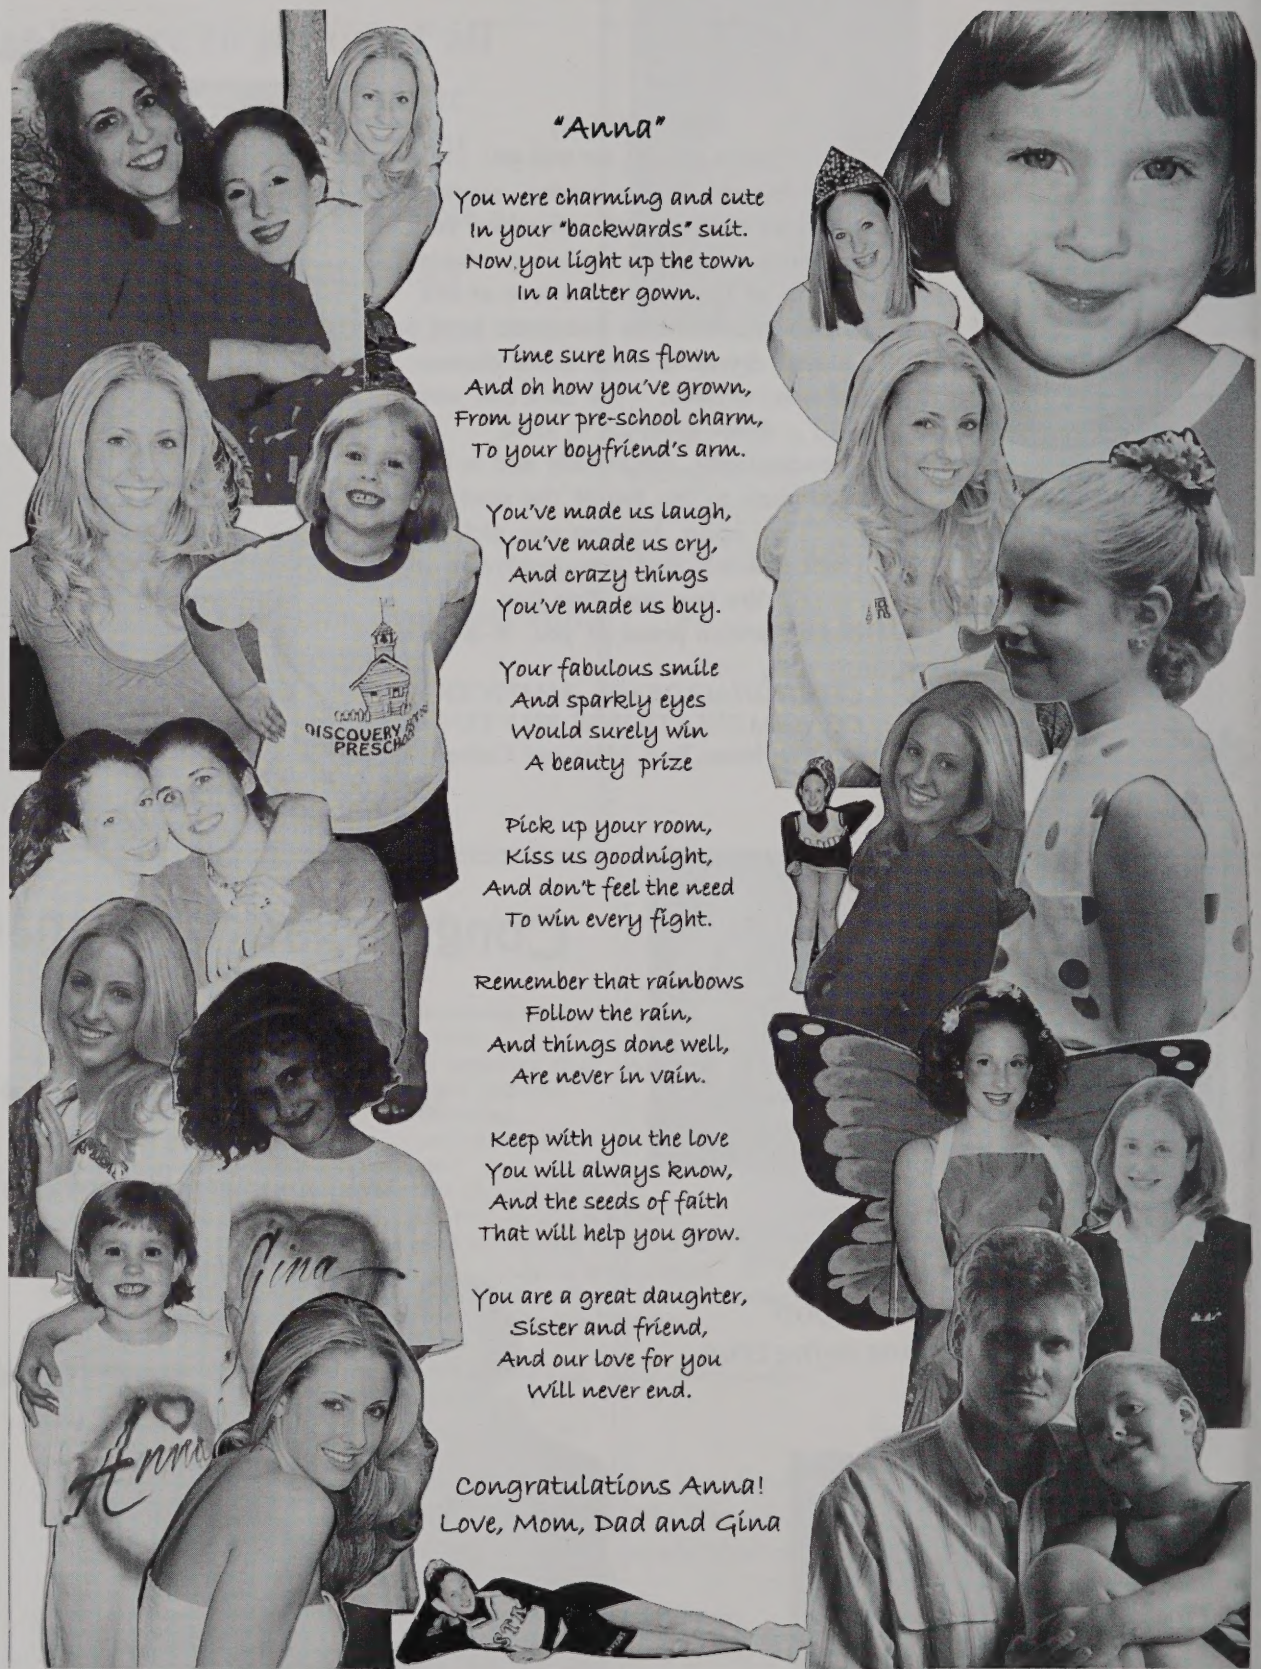
You always make my day!

Love Mémè



"Anna"
You were charming and cute
In your "backwards" suit.
Now you light up the town
In a halter gown.
Time sure has flown
And oh how you've grown,
From your pre-school charm,
To your boyfriend's arm.
You've made us laugh,
You've made us cry,
And crazy things
You've made us buy.
Your fabulous smile
And sparkly eyes
Would surely win
A beauty prize
Pick up your room,
Kiss us goodnight,
And don't feel the need
To win every fight.
Remember that rainbows
Follow the rain,
And things done well,
Are never in vain.
Keep with you the love
You will always know,
And the seeds of faith
That will help you grow.
You are a great daughter,
Sister and friend,
And our love for you
Will never end.
Congratulations Anna!

Jacalyn,

We are so proud of you and your accomplishments. We have watched as our little girl has grown into a young woman and have many special memories along the way. You started off as "Boz", then "Zippy". then our "lil zoop". We introduced you to Canada, the two straw country. We took many trips to the Cape house where you started so afraid to get your feet wet, as the years went by you became our Aqua Kid. We can't forget our trips to Sundae school or Lovey Bear, your faithful companion. How those frozen peas broke out of the bag while snorkeling on the Big Island, the mayflies and moose up at Baxter or the singing Mennonities on the hike up to Delicate Arch. Dad will never forget the father's day hike in PA with ALL those elk! The next chapter in the book of your life awaits you and we know that you'll do great! Remember, we love you and are always by your side. Don't lose sight of your dreams! The next great archeological discovery is waiting for YOU!
